6. Maharishi Yagya Recommendation.

Maharishi Jyotish consultations automatically include a *Maharishi Yagya* Recommendation based on an analysis of the Organization’s Comprehensive Birth Chart. Each recommendation identifies the Planetary or Graha Shanti Yagyas that are most suitable for the Organization, and the best time for them to be performed.

In addition to Planetary or Graha Shanti Yagyas, if the Organization would also like to request a Specific Purpose Yagya performance to bring support of Nature to a particular area of life, describe this in the field below.
